Mercuri International has Institutional Accreditation as a Training Provider with the Services Seta, who gave us Interim Registration for our learning programmes. Institutional Accreditation is the status attained after the SETQA evaluation has found that a Provider of education and training has the potential and capability to deliver quality education and training in line with the minimum criteria specified by SAQA. Interim Registration means that we met the eight core criteria as specified by SAQA in the document 'Quality Management Systems for Education and Training Providers'. In the absence of NQF registered standards the learning programmes are outcomes based designed. Our courses are registered on NQF level 4.
